Let's start from an easy question. How can I make a PowerPoint presentation with beautiful and stylish fonts? As I showed before, there are many solutions but one of them is the very popular font replacement method. In this article, we can find another method that really works and the program is Circlify for PowerPoint. The software is a utility that, once you install it, you can configure its installation folder to work with your PowerPoint presentations and not to affect any other PowerPoint file. After the installation you will see a new icon in your Accessories folder. If you press the Enter key, the application will be launched. The interface is simple with three tabs: Circles, Text and Arcs. The first tab allows you to create multiple concentric circles and add them to slides. On the second tab, you can select and place texts and graphics of various sizes and shapes. The last tab

allows you to create and place smooth and circular arcs. The third tab contains a preview panel that allows you to see how the changes will affect the slides, if you move or resize the circles or shapes created on the first two tabs. Do not forget to save your changes before you exit the application. Once you are ready, you may display your slideshows by clicking the Open icon. You can also use CTRL+C to copy the path. Wednesday, March 1, 2016 Casio just announced yet another new addition to their Android-powered SH-8 concept wearable range. Called the CASHSH-8, the new watch isn't really a fitness tracker, but rather a watch that runs Android Wear. It has a 1.33-inch color display, a stainless steel body and a 1.39-inch LCD face which flips up off the watchband to be used as a second display. A rotating crown lets users switch to other apps. Saturday, February 10, 2016 Scantily dressed and floating over two men who appear to be embracing in deep, sensual passion, couple in a pre-coital moment. A beautiful young model looks on, her eyes fixed on the couple, as a single straight-up close-up of the woman's face lends to a close-up focus on her mouth, a set of pouty

lips, in a slight smile, an expression of joy. A close-up of the couple looks on in ecstasy, and over the brief shot, a fine screen-writing credit reads: "Novel by Debojie Joseph. Directed by Nicholas Bingham. Shot by Jigsaw." A couple in ecstasy over a passing car, a fine screen-writing credit reads: "Novel by Debojie Joseph. Directed by Nicholas Bingham. Shot by Jigsaw." A couple having sex on the streets, one lying on a bed. As the camera pans in from the street, a twin bed is seen in the background, topped with a duvet, a pair of pillows with a single pillow on either side of the bed, and a white, half-open curtain, all of which is framed by an open side of a window. The windowsill is decorated
